

THE HUGSMILER'S

WAYS THAT YOU CAN BE A HUGSMILER

Here are some of our ideas for the last taste of summer to get you started...we'd love to hear some of yours!

share... make s'mores and share them with your friends

be helpful... after you've used the sprinkler to cool off, remember to put it away

follow the rules...at the beach, have fun digging in the sand, but don't throw it around

good manners... when you visit the library, be quiet and be sure to put back the books where you found them

cooperate... build an obstacle course with your friends and have fun playing together

be thoughtful... if you see someone looking thirsty, offer them a cup of water

be respectful... when you're told to get out of the water because it looks like it will rain, don't whine or cry, but listen instead

Keep the ball rolling!
